

RACE TO REPOWER

WITH 520 | 540 OR 565 STERNDRIVES

**MERCURY
RACING**

Mercury Racing is pleased to announce an unprecedented repower program for the 520, 540 and 565 sterndrives.

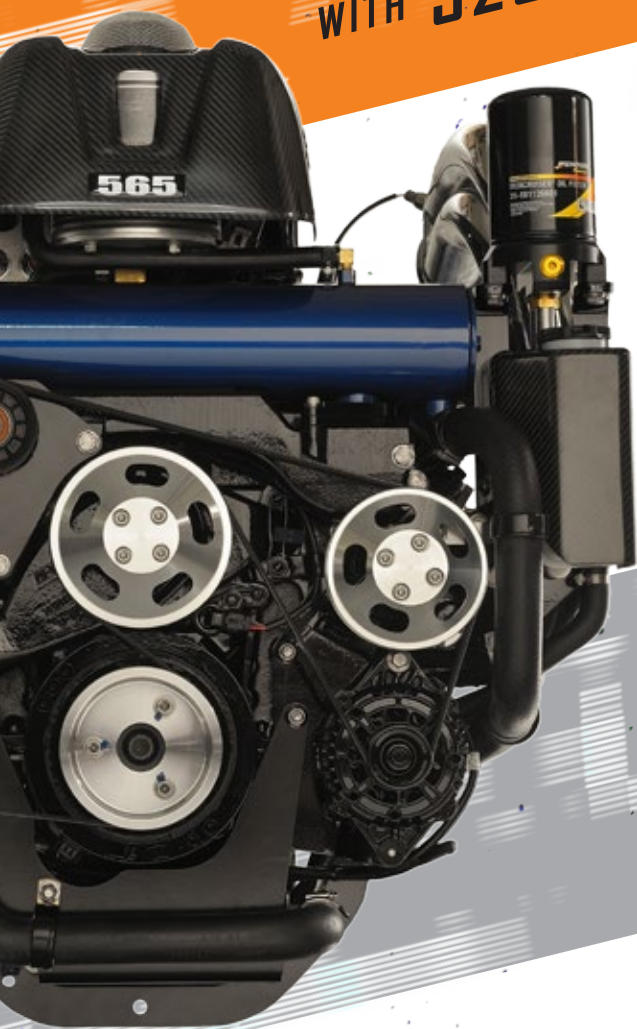

Repowering with 520, 540, or 565 power delivers a significantly improved driving experience through higher torque and ultra-responsive digital control systems. Best of all, Mercury Racing backs these packages with a comprehensive 2-year limited warranty.

FAST FACTS

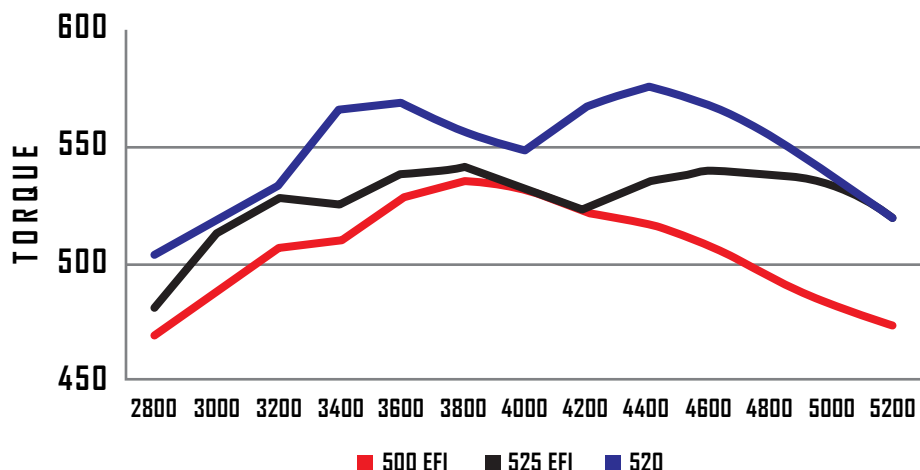

- Cash rebates
- Free DTS rigging kits
- Free Zero Effort Controls
- Up to \$8,200 retail value
- January 16 through June 30
